

The Anchor

Keeping us anchored in the Lord's word through Sunday School

September 12, 2021

Welcome to the 2021-2022 Sunday School year and our new weekly newsletter. This is going to be the place for you to stay up to date on everything Sunday School. Each week "The Anchor" will provide you with details about the upcoming Sunday School lesson. It will include a lesson focus for the day, some key passages, as well as the memory verse. You will also be able to find an animated version of the story. You can use the "digging deeper" section as a weekly family devotional too. There you will find the scriptural background, as well as the historical/apologetics background for each story. There will also be a couple of questions to help aid in discussions. This will be available on the website so if you miss a week, no problems! Just click on the date you need and you are all set.

I can't wait for this new year to kick off! The first official lesson will start next week (September 19th).

A couple of things to remember:

The Sunday School hour runs from 10:15-11:00. If you have a student in 4k-kindergarten please send a **parent** to pick up. This will help in knowing where our littles are at all times.

All 3 year olds will need to have a parent present in the large group room during their learning time. Once the large group time is done, 3 year olds are free to leave.

Classroom assignments are available in your church mailbox in the educational booklet.

If you ever have any questions or concerns feel free to reach out to me at anytime!

Thank you!
